

Take a Kaplan SAT vs ACT Practice Test!

The practice test is proctored like the real thing, except your scores won't go on record!

Sponsored by Montgomery High School & Kaplan Test Prep

The **Montgomery High School and Kaplan Test Prep** will be offering a combo SAT vs ACT practice Test on **Saturday, September 23rd, 2017**. The test event helps students not only practice important tests in a real world setting, but also identify areas to help them improve their scores before taking their official exams. Test participants will receive a detailed score report highlighting their personal strengths and weaknesses *immediately* after the test!

Great news -- students will leave the practice test with their scores. They will need to bring a **fully charged smartphone or tablet** to use only after the completion of the test for scoring it. In order for the scoring to work properly, students **MUST** be registered for the practice test **by Wednesday September 20th**. Please register below!

If you have more than one student testing, please use unique email addresses for each student.
