TRAVEL INSURANCE

CANCEL FOR ANY REASON - CFAR

There are multiple options for travel insurance that will be outlined for you in our travel portal (we will show you this later in the presentation). We recommend all students purchase “Cancel for Any Reason” travel insurance (CFAR). With this insurance, should you need to cancel participation in the trip beyond the date where a refund is possible, this policy will reimburse you 75% of the tour cost.

- Please note that the Montgomery School District may cancel this trip at any time for safety reasons not limited to, but including an increase in concerns surrounding COVID-19 and that should this happen, the district will not be able to reimburse any lost payments. Depending upon when this happens in relation to our tour company's cancellation policy, the cost of the trip may be irrecoverable. The “cancel for any reason” travel insurance policy may be your only avenue for recuperating some of the funds (75% of your cost) in this event.
