

Montgomery Township School District

Creating confident, compassionate, and successful learners

May 14, 2021

Dear Montgomery Township School Community,

The Center for Disease Control (CDC) has adjusted the guidelines for vaccinated individuals regarding mask wearing and social distancing. As of today we have not received any revisions from the New Jersey Department of Education in response to the CDC changes and therefore will continue to follow our current protocols.

All staff and students will continue to wear masks and follow the social distancing guidelines. We will promptly communicate if and when there are any changes to our mask wearing and social distancing protocols.

Have a great weekend.

Sincerely,

Mary E. McLoughlin
Superintendent
