

Montgomery Township School District

Creating confident, compassionate, and successful learners

Date: October 11, 2022

Subject: Full Day Kindergarten

Dear Montgomery Township School Community,

We have had a great start to the school year. There is a noted sense of excitement throughout the district as the students settle into their school routines.

Our full-day kindergarten initiative will be presented as a question on the ballot to Montgomery Township and Rocky Hill residents on November 8, 2022. Information on full-day kindergarten continues to be shared at all our district events. The Board of Education held a Town Hall meeting last night on this topic. The presentation, which includes the benefits of full-day kindergarten and the fiscal impact, is available on the [Full-day Kindergarten website](#).

Sincerely,
Mary E. McLoughlin
Superintendent
