Subject: Letter to the Community Regarding Press Release and News Article

Dear Montgomery Township School Community,

On October 17, 2022, there was a news article that summarized a press release from the Somerset County Prosecutor's Office describing an arrest of an individual involved in an incident that occurred at an "undisclosed educational facility" in Montgomery Township. For clarification purposes, please note that this incident did not occur during a Montgomery Township School District (MTSD) extracurricular activity, nor during any MTSD program. The incident was reported as having occurred during an outside organization's program on Saturday, October 1, 2022.

The Montgomery Township School District takes the safety and security of our students and all students seriously. Although this incident is not related to the Montgomery Township School District, I met with our Director of Safety and Security and administration from the outside organization to address this matter immediately. I required the organization to provide a security plan that has been reviewed and attached to their MTSD Facility Use Form.

Sincerely,
Mary E. McLoughlin
Superintendent
