Subject: Full-Day Kindergarten for Montgomery Township School District

Dear Montgomery Township School Community,

We are happy to announce that the results of the November 8th ballot question have been certified and that Full-Day Kindergarten will be offered at the Montgomery Township School District beginning September 2023! Additionally, the former Kid Connection building will become the home of our existing preschool program.

The district staff and the Board of Education have worked collaboratively on this initiative for several years.

We thank you for your support and look forward to implementing Full-Day Kindergarten, a great benefit to our community.

Sincerely,
Mary E. McLoughlin
Superintendent
