

**MONTGOMERY TOWNSHIP SCHOOL DISTRICT
CO-CURRICULAR ACTIVITY FEE
2015-16 FALL REGISTRATION FORM**

Dear Parent/Guardian:

The Montgomery Township Board of Education requires a \$100 activity fee (\$200 family maximum) for any child, grades 7-12, who will be participating in athletics and/or clubs at the high school or upper middle school level. This once-a-year fee covers ALL the co-curricular clubs and athletic teams your child participates in during the school year.

Parents and students should understand that this fee entitles the student only to a place in an activity. It does not guarantee participation time in games, leads in performances, specific positions on teams, etc. Those decisions remain with coaches and advisors.

If you have already paid the activity fee for this school year or you have reached the \$200 family maximum, please disregard this letter. If you have not yet paid the \$100 activity fee, please complete the registration form below. The form can also be found on the MHS or UMS website. Families that qualify for free and reduced priced lunch will not be required to pay the activity fee.

For your convenience, we will also have a new internet-based payment option thru Payforit.net. This will allow you to pay using a checking account debit or by using a credit card. Please note that there is a fee associated with this option. If you prefer, you may mail a check to the below address. Payforit.net is the same company the district uses for the food service payment. Please logon to www.payforit.net to register. If you are already registered, you do not have to register again.

There is no activity fee required if your child will be participating on certain MHS clubs. A list of the high school clubs that are exempt from the activity fee can be found in the Co-Curricular brochure located on the MHS website.

In order for your child to participate in upcoming co-curricular programs, payments must be received in the board office by the following dates:

September 1, 2015	All High School Fall Athletic Teams
September 1, 2015	Marching Band & Color Guard
September 11, 2015	All Middle School Fall Athletic Teams
October 2, 2015	All High School & UMS Clubs

The Board of Education understands that some families, due to unanticipated financial hardship, may be unable to pay all or part of the activity fee. It is the intent of the Board that no student is denied the right to participate due to the inability to pay. Should you need additional consideration, please contact your school's Principal who will review your situation and make a determination. This matter will be held confidential.
